“The “Barraco Family” began making pizzas about 30 years ago, and we opened our first pizza carry-out in 1980 right here in Evergreen Park near the corner of 95th & Kedzie. However, thanks to the growing demand of our customers, we had to move to a larger location at 3200 W. 95th Street. Then to an even greater demand by our customers of Evergreen Park and surrounding areas, we moved to our biggest location which is where we are today, to serve our customers with the best quality and service they deserve.

**“Barraco’s” Customer Policy**

The “Barraco Family” has built its business on quality and service. During its peak hours, Barraco’s will not sacrifice quality for service; therefore, if the customer has to wait more than 15 minutes from the time specified on a call in order, dinner is FREE! On a delivery order, if the customer has to wait more than 15 minutes from the specified time, dinner is FREE! (within 2 mile delivery area.)

We use the freshest ingredients possible, we do not use imitation ingredients or preservatives, we prepare everything daily.

If for any reason the customer is unhappy with the quality of our pizza or dinners, Barraco’s will guarantee their satisfaction.
